## NATIONAL

- **India - had recorded a nearly 23% increase in lightning episodes in 2020 compared to 2019, as per the Earth Networks report released on July 19**
- ✓ Tamil Nadu, Andhra Pradesh, Karnataka, Odisha and West Bengal were ranked as the topmost vulnerable states that have reported more events of lightning last year
- ✓ Thunderstorms accompanied by lightning strikes (usually in the pre-monsoon and monsoon months) are identified as the single largest killers among natural disasters in India, according to the National Disaster Management Authority.
- ✓ Bihar, UP, Jharkhand and Maharashtra have reported the most number of killings due to lightning along with thunderstorm, as per the Earth Networks report
- ✓ Earth Networks is a private agency of a nationwide lightning detection network in India.

## EPISODES ROSE BY 23% IN 2020

- ✓ As per its report, India has reported around 39.6 million lightning pulses in 2020
- ✓ Out of this, over 13 million were lethal 'cloud-to-ground' strikes, which refer to the lightning that hits the ground, putting lives and property in danger.
- ✓ In 2020, India saw the highest concentration of lightning in May, June, and September because of the monsoon season
- ✓ Lightning strikes have killed at least 2,000 people every year in India since 2004, as per the India Meteorological Department (IMD)

## INDIA AND NEIGHBOURS

- **On July 18, the trial run of new rail line between Jayanagar in Bihar's Madhubani district and Kurtha in Dhanusa district of Nepal was completed successfully**
- ✓ Railways will open the newly-built railway track for traffic after getting clearance from the commissioner of railway safety in August 2021
- ✓ A speed trial was completed successfully at a speed of 110 km per hour on the 35 kilometre long newly-gauge converted section
- ✓ The Jayanagar – Kurtha Railway link has been set up by Indian Railway Construction Limited (IRCON) under India – Nepal friendship rail project
- ✓ This is the first section of the rail line links between the two countries
- ✓ The second section of 17 km length will link Kurtha and Bhangaha, while the 17 km long third phase will extend from Bhangaha to Bardibas

- ✓ The railway line, completed at a cost of Rs 619 crore, has five stations in the section — Jayanagar, Inarwa, Khajuri, Baidehi and Kurtha near famous pilgrimage Janakpur in Nepal
- ✓ During the British rule, they had built a 52-km-long a railway line from Jaynagar to Mahottari in Nepal, mainly to transport logs of woods from forests
- ✓ The 68.72 kilometre long Jaynagar-Bijalpura-Bardibas railway project has been funded by the Indian Government entirely
- ✓ Earlier, the Konkan Rail Corporation Limited (KRCL) had supplied two sets of 1600 HP DEMU passenger rakes to operate rail services on the route in September 2020
- ✓ In Nepal, this is said to be the first Broad Gauge passenger rail service.
- ✓ Prior to this, a narrow gauge service was running by Nepal between Jayanagar and Janakpur till the year 2014.

## APPOINTMENTS

- **Union minister for Minority Affairs, Mukhtar Abbas Naqvi - has been appointed the deputy leader of the House in Rajya Sabha.**

- ✓ Union minister Piyush Goyal, who was the deputy leader earlier, has been elevated as the leader of the House.
- ✓ He replaces Thawarchand Gehlot, who has been appointed Karnataka governor.
- ✓ Naqvi, 63, was elected to Rajya Sabha in 2016 and is known for his vast knowledge of parliamentary affairs
- ✓ Naqvi had served as the minister of state for parliamentary affairs during the first term of the Modi government.
- ✓ In 2017, he was handed over the charge of the Ministry of Minority Affairs.
- ✓ Naqvi had been a student leader and was jailed in 1975 during the Emergency.

## AWARDS

- **Two Indian organizations, Aadhimalai Pazhangudiyinar Producer Company Limited and Snehakunja Trust - are announced among the 10 winners of the prestigious Equator Prize for their work in the field of conservation and biodiversity**

- ✓ They will each receive a prize of US\$10,000 and provided the opportunity to join a series of special virtual events associated with the UN General Assembly, the Nature for Life Hub and the UN Food Systems Summit this year.

- ✓ They will join a network of 255 communities from over 80 countries that have received the Equator Prize since its inception in 2002.
- ✓ The virtual award ceremony is scheduled for October 4, 2021
- ✓ The winners were selected from a pool of over 600 nominations from 126 countries by an independent Technical Advisory Committee of internationally renowned experts
- ✓ Aadhimalai Pazhangudiyinar Producer Company Limited is a 1,700-member cooperative, managed and run entirely by Indigenous people from the Nilgiri Biosphere Reserve in Southern India
- ✓ It has improved livelihoods across 147 villages by processing and marketing a diverse range of forest produce and crops such as honey, soap nuts and berries, phoenix leaves, coffee, pepper, silk cotton, cereals, spices, fruits, and many others
- ✓ Snehakunja Trust has protected sensitive wetland and coastal ecosystems in the Western Ghats and the Karnataka coast for 45 years
- ✓ They were involved in the restoration and protection of freshwater swamps and evergreen forests to safeguard endangered species, keep significant carbon sinks intact, and maintain critical aquifers for Indigenous communities
- ✓ After restoring 375 hectares of mangroves, Snehakunja Trust is currently working on the first blue carbon project in India.
- ✓ UNDP Equator Prize is offered for the exceptional achievement in showcasing local, innovative, nature-based solutions for tackling biodiversity loss and climate change and achieving the local development goals.
