

EVERYDAY CURRENT AFFAIRS-JANUARY 17, 2023

TAMIL NADU

- On January 15, the ruling DMK - opposed the proposal to hold simultaneous elections to the Lok Sabha and state assemblies.
 - ✓ Chief Minister and party president M K Stalin has written to the Law Commission stating that the move was against the federal structure, the key feature of the Constitution.
 - ✓ DMK MP P Wilson submitted the chief minister's letter to the commission in Delhi.
 - ✓ The letter has pointed out that only nine state assemblies would have their terms ending in 2024, while the remaining states would have their terms until 2027.
 - ✓ Tamil Nadu would go to polls in 2026.
 - ✓ The Law Commission had asked all political parties to submit their views on holding simultaneous polls by January 15
 - ✓ Except AIADMK and BJP, most other political parties in Tamil Nadu, too, have opposed the move.
 - ✓ India had simultaneous elections from 1951 to 1967.
 - ✓ However, the cycle got disrupted due to premature dissolution of some assemblies in 1968 and 1969.
-
- Japanese electronics major Mitsubishi Electric - is setting up its first air conditioner plant in India in Tamil Nadu.
 - ✓ The company is investing 26.7 billion yen (around \$222. 5 million or Rs.1,800 crore), in its Indian subsidiary Mitsubishi Electric to establish a factory for the production of room air conditioners and compressors.
 - ✓ Spread across 88,000 sq m, the factory is planned to be built on a 2.1 lakh sq m site.
 - ✓ According to Mitsubishi Electric, it targets to start production in India from October 2025
 - ✓ The initial annual capacity will be 3,00,000 room air conditioner outdoor units and beginning in December 2025, it will be increased to 6,50,000 compressors.

- ✓ The plant will meet demand for the Indian market, and not for export purposes.
- ✓ The new facility is part of the Japanese giant's plans to invest 180 billion yen (about \$1. 5 billion) in facilities worldwide, including Europe and the United States, over a five-year period ending in March 2026.
- ✓ Tamil Nadu has emerged as a top destination in electronics manufacturing considering the presence of a robust ecosystem comprising Foxconn, Pegatron, Flex, Salcomp and others.
- ✓ Earlier, consumer electronics major Samsung announced its plans in March 2022 to set up a new compressor manufacturing plant in Sriperumbudur near Chennai with an investment of Rs.1,588 crore.
- ✓ According to Mitsubishi, its new factory will meet sustainable development goals through measures such as reusing wastewater through underground filtration treatment
- ✓ The factory will also implement initiatives for carbon neutrality, including the minimisation of CO₂ emissions, use of air conditioning and heated-water systems.

STATES

- **Rajasthan – has become the first State in the country to implement a policy for blindness control with the objective of 'Right to Sight'.**
- ✓ Rajasthan Chief Minister Ashok Gehlot has launched this innovative initiative under the concept of “Nirogi Rajasthan” (Healthy Rajasthan)
- ✓ The medical and health department of the State, on the directions of the Chief Minister, released the policy document for the prevention of blindness
- ✓ The policy has been introduced with an aim to bring light in the lives of more than three lakh people suffering from visual impairment in the state.
- ✓ Under the policy, the Rajasthan government will mandatorily run Keratoplasty Centres and Eye Banks at all the government medical colleges.
- ✓ Also, cornea collected by private organisations and NGOs getting financial help from the government will have to be provided to the government institutions on priority.
- ✓ Further, efforts to eliminate visual impairment would be made in the districts in collaboration with voluntary organisations, trusts, hospitals and other charitable institutions working in this field.
- ✓ In this regard, the state government will carry out a campaign for eye donation on an extensive level along with the private institutions.
- ✓ Special training will be imparted to eye experts, eye surgeons, post-graduate students, counsellors working for eye donation and eye assistants etc.
- ✓ The prevalence rate of blindness in the country was 1.1% in 2020 and work would be done to bring it down to 0.3% through the blindness control policy.
- ✓ The “Nirogi Rajasthan” campaign, launched by the Rajasthan government on December 17, 2019, aims to improve the overall health and well-being of the state's citizens.

- **Kollam district in Kerala - has become the first constitution literate district in the country.**

- ✓ The announcement of the achievement was made by Kerala Chief Minister Pinarayi Vijayan in a ceremony on January 14
- ✓ The district's feat is the result of the seven-month long Constitution literacy campaign launched jointly by the Kollam district panchayat, District Planning Committee and Kerala Institute of Local Administration (KLA)
- ✓ The various agencies have collaborated to create awareness about various aspects of the country's laws and citizen rights.
- ✓ The aim was to provide constitution literacy to 23 lakh citizens belonging to 7 lakh families in the district.
- ✓ Under the initiative, awareness classes were organised to around 90 % of the people in Kollam.
- ✓ Around 16.3 lakh people, above 10 years of age, were educated by 2,200 trainers called 'senators', who visited schools, offices, auto stands and tribal councils to create awareness.

NATIONAL

- **India's five leading cooperatives - have come together to set up a multi-state cooperative society for organic products with an authorised share capital of Rs.500 crore.**
- ✓ Gujarat Cooperative Milk Marketing Federation (GCMMF), the promoter of Amul brand; National Agricultural Cooperative Marketing Federation of India Ltd.(NAFED); and National Cooperative Consumers' Federation of India Limited (NCCF); National Dairy Development Board's (NDDB); and National Cooperative Development Corporation (NCDC) are the members of the new society
- ✓ The society will have nation-wide operations with its registered office at Anand, Gujarat.
- ✓ The move is in response to the recent cabinet decision that approved setting up a national-level cooperative society as an umbrella organisation of organic products under the Multi State Cooperative Societies (MSCS) Act, 2002

- ✓ The new society will be responsible for aggregation, certification, testing, procurement, storage, processing, branding, labelling and marketing of organic products through niche markets among both domestic and global consumers.
- ✓ Though the size of the world organic food market by retail sales is around 10 lakh crore, India accounts for only 2. 7% of the world market and thus has a huge potential to expand.
- ✓ The move will not only help India gain better access to the global market but also help the country's farmers to produce fertilizers and pesticides-free farm crops

➤ The First Education Group of G20 countries - will meet in Chennai from January 31 to February 2.

- ✓ In this regard, the Ministry of External Affairs, the Ministry of Education, the State government and a team from IIT Madras held a meeting on January 9 to review the preparations for the meeting.
