

## EVERYDAY CURRENT AFFAIRS – JUNE 01, 2024

### STATE

- **Artificial Intelligence Learning in School Textbooks**
- ✓ In a ground-breaking initiative, Kerala has incorporated Artificial Intelligence (AI) learning into the Information & Communication Technology (ICT) textbook for Class 7 students.

- ✓ This program aims to acquaint over 400,000 students with AI in the upcoming academic year, representing a significant advancement in the state's technological education.

### AWARDS

- **Nelson Mandela Award for Health Promotion**

- ✓ The National Institute of Mental Health and Neuro Sciences (NIMHANS), Bengaluru, India's premier mental health institution, has been conferred the prestigious Nelson Mandela Award for Health Promotion for 2024 by the World Health Organization (WHO).
- ✓ This award recognizes individuals, institutions, and organizations that have demonstrated remarkable contributions to health promotion.

## IMPORTANT DAYS

- **World Milk Day: June 01**
- ✓ Every year on June 1, the world comes together to celebrate World Milk Day.

- ✓ This annual event, established by the Food and Agriculture Organization (FAO) of the United Nations, aims to bring the importance of milk as a global food to the forefront and promote dairy farming and the dairy industry.
- ✓ Since its inception in 2001, World Milk Day has gained global recognition, with various campaigns carried out to raise awareness about the nutritional value and significance of milk in a balanced diet.
